Experience the Benefits of Levo

A healthier, more productive workspace starts with the right desk. **The Levo** range is designed to enhance your well-being, support your workflow, and elevate your office aesthetic.

Supports Heart Health

Sitting for long periods can negatively affect circulation. Levo's sit-stand functionality helps improve blood flow and reduces the risks associated with a sedentary lifestyle.

Eases Back Pain

Maintain better posture and reduce strain on your spine with adjustable height settings that support both sitting and standing work positions.

Boosts Energy Levels

Alternating between sitting and standing keeps you engaged, reducing fatigue and improving focus

Improves General Health

Promotes movement, reducing the risk of musculoskeletal issues and increasing overall workplace comfort.

Helps Manage Blood Sugar Levels

Lower blood sugar levels and risk of type 2 diabetes

Levo Range

Experience a new standard in workspace comfort and productivity with Levo, the innovative sit-stand desk range from Workscale.Design. Thoughtfully crafted for both modern offices and home environments, Levo desks combine elegant design with ergonomic features to support your health and well-being throughout the workday.

Adaptable Design to Suit Your Style

Choose from a wide selection of premium finishes and configurations, ensuring your Levo desk seamlessly complements your workspace. Whether you prefer a single desk setup or a back-to-back arrangement for open-plan offices, each Levo desk is designed to elevate both aesthetics and functionality.

Ergonomic Benefits for Health and Productivity

Easily transition between sitting and standing with the push of a button. By allowing you to change positions throughout the day, Levo desks help promote better posture, improve circulation, and reduce the risk of back pain — all contributing to a healthier, more productive work experience.

Organised and Efficient Workspace

We understand the importance of a tidy work area. That's why Levo desks come with versatile cable management options, ensuring your workspace remains organised and clutter-free for maximum efficiency.

Elevate Your Work Environment

Upgrade to Levo's sleek, customisable sit-stand design and discover a workspace that supports both your professional success and personal well-being. With its premium quality, health-focused features, and stylish finishes, Levo by Workscale.Design is the perfect addition to any office or home setup.

Levo: A Flexible and Stylish Sit-Stand Desk Range

The **Levo range** is designed to transform the way you work, combining ergonomic support with sleek, modern aesthetics. Whether you're setting up a personal workspace, a collaborative office environment, or a dynamic meeting room, Levo desks adapt to your needs. With smooth height adjustments, premium materials, and a choice of finishes, Levo supports better posture, increased energy, and enhanced productivity.

Levo The Core of the Collection

Levo is the foundation of the range, offering a versatile and ergonomic sit-stand solution for everyday use. Designed for individual workstations and office set-ups, it delivers smooth height adjustments, allowing you to switch seamlessly between sitting and standing. With a range of sizes and finishes, Levo suits any workspace, whether in a home office or a corporate setting.

Levo+ The Premium Choice

Levo+ builds upon the original design with enhanced aesthetics and refined details. Featuring additional panels around the legs, it offers a more seamless, elegant appearance while maintaining the same ergonomic and functional benefits. Perfect for those who want a sleek, sophisticated workspace with a high-end feel, Levo+ brings a polished touch to any office environment.

Levo: A Flexible and Stylish Sit-Stand Desk Range

Levo Meeting Designed for Collaboration

Levo Meeting extends the sit-stand concept into meeting rooms, fostering engagement and interaction during discussions. By incorporating height adjustments into collaborative spaces, it encourages a more dynamic and productive atmosphere. Ideal for modern workplaces, Levo Meeting transforms meetings from passive to active, helping teams stay focused and energised.

With its range of options, Levo ensures that every workspace—whether for focused individual tasks, premium office set-ups, or collaborative meetings—is optimised for comfort, style, and performance.

SUSTAINABILITY IN MOTION

At Workscale.Design, sustainability is part of our everyday thinking. With **Levo**, our collection of height-adjustable desks and meeting tables, we've built a range that not only supports healthy, flexible working—but does so with care for the environment.

Smarter Materials

FSC®-Certified Wood - Our MFC and veneer table tops come from responsibly managed forests, available in 27 finishes - from light Birch to rich Ebony.

Recyclable Metal Frames - Durable and long-lasting, the metal base is fully recyclable and finished in white, silver or black.v

Built to Last (and Reuse)

Easy to Recycle - Designed for straightforward disassembly, with recyclable wood and metal parts. Minimal Waste - Sturdy construction means fewer replacements—less waste over time.

Efficient Production

Lean Manufacturing - Every component is made using processes that reduce energy use and material waste.

Clean Finishes - Our powder-coated legs are finished in a low-emission, closed-loop system for durability and low impact.

A Smarter, Greener Way to Work

Whether it's the compact **Levo**, the premium **Levo+**, the curved comfort of **Levo Curve**, or the collaborative **Levo Meeting** - every piece in the range is made to enhance the way you work, with minimal impact on the planet.
